

A donut chart showing the distribution of responses for the question 'What is the most important factor in choosing a location for a new business?'. The chart is divided into 10 segments of different colors, each representing a different factor. The segments are labeled with their respective percentages: 36%, 15%, 8%, 8%, 6%, 3%, 3%, 3%, 2%, and 1%.

Factor	Percentage
Proximity to customers	36%
Availability of labor	15%
Transportation	8%
Proximity to suppliers	8%
Government incentives	6%
Quality of life	3%
Cost of living	3%
Proximity to universities	3%
Proximity to airports	2%
Proximity to ports	1%

SOCIAL

A group of approximately 20 students are posing for a photo in front of a large, colorful mural. The mural features a central image of a hand holding a torch, with various text elements and graphics around it, including the word 'JUSTICE' and 'SCHOOL'. The students are dressed in casual attire, and the setting appears to be an indoor space with a wooden floor.
